

Fire Safety

**“Remember, a match is a tool. It is for adults to use.
Never play with matches or lighters, they are
DANGEROUS! ! !”**

STOP - DROP - ROLL

**"If your catch fire, STOP – DROP – ROLL!
This puts the flames out."**

CRAWL AWAY FROM SMOKE!

Safety Sam's Club

ALWAYS HAVE TWO WAYS OUT!

“Know two ways out in case of fire! If there is flame or smoke at your first exit, use the other way out.”

ESCAPE PLAN

Safety Sam's Club

FLOOR PLAN	FAMILY REHEARSAL
<ol style="list-style-type: none"> 1. Use the grid to draw a floor plan of each person's bedroom or to show the whole house. 2. Show two exits. Write down your outside meeting place. 	<ol style="list-style-type: none"> 1. Everyone in his or her own bedroom with the door closed. 2. One person sounds the alarm. 3. Each person test the door. 4. Pretend it's hot; use other exit and meet outdoors.
DISCUSS PROCEDURES WITH YOUR FAMILY	
<ol style="list-style-type: none"> 1. Sleep with the bedroom door closed. It will hold back deadly smoke while you escape to safety. 2. Plan on your detector or some other signal to wake the family. 3. Test the door. If hot, use your alternate escape. If cool, brace your shoulder against the door and open it slightly. Be ready to slam it if smoke or heat rushes in. 	<ol style="list-style-type: none"> 4. Crawl away from smoke. Take few small breaths or hold your breath if you can. 5. Escape fast; don't stop to pack! 6. Choose a special outdoor meeting place so you can see if everyone is safe. 7. Assign someone to make sure no one returns into the burning house. 8. Call the fire department from a neighbor's house.
